Volunteer Information for Corporate Volunteer Partners

Project Homeless Connect welcomes corporate organizations to participate in our large-scale service events as volunteer partners and sponsors. Holding five events annually, each event needs more than 700 volunteers and more than fifty percent of all volunteers attend through a partnering corporate group.

A number of our volunteer opportunities allow volunteer groups to work together as a team. One such position is assisting in our Café, where participants are treated to lunch. In the midst of a sometimes fast-paced environment, our participants are invited to sit down, eat lunch, and enjoy the classical compositions from students at the San Francisco Conservatory of Music. Positions in the Café include waiting tables, bussing, packaging to-go lunches, and greeting guests.

Each event has more than 20 volunteer areas to choose from, and we will work closely with you to figure out the best fit for your team. Contact Kit Solowy, our Volunteer Coordinator, for more information.

At each PHC event, an individual experiencing homelessness is able to receive assistance from more than 100 providers under the same roof. Because of this, what often takes months to accomplish can be completed in one day. From employment counselors to mental health professionals, lunch to a haircut, our goal is to ensure participants have all the tools necessary to improve their quality of life and to move forward. We hold 5 events annually and serve around 1,800 participants at each event with the assistance of roughly 800 volunteers.

As a partnering organization, you will be recognized at the morning volunteer rally which attracts hundreds of volunteers, local political figures, and a strong media presence.

You are welcome to track registration of your volunteer group and pass along relevant information as the event nears. We also offer online registration through our volunteer database at ProjectHomelessConnect.org.

Volunteer Shift Times:

Set-Up (6:30am-10am), Morning (8:30am-1pm),
Afternoon (12:30-4pm), All Day (8:30am-4pm),
Breakdown (3:00pm-6pm)

The majority of Project Homeless Connect events are held at the Bill Graham Civic Auditorium (99 Grove St.) in the Civic Center neighborhood of San Francisco. We also hold annual events in the Bayview community and events targeted to specific vulnerable populations.
