AGENCY SUMMARY

Project Homeless Connect excels in connecting San Franciscans experiencing homelessness with vital resources throughout the city. At our one-stop shop events and in our office every day, we link participants to dental and vision care, employment assistance, medical coverage and much more. By mobilizing city and community agencies, as well as thousands of volunteers, we ensure that our participants receive holistic care in a dignified setting.

Through volunteer education and engagement, PHC is building a social movement focused on ending homelessness in San Francisco. We bring together corporations, concerned citizens, and city agencies to create committed stakeholders for a housed San Francisco.

PHC BREAKFAST GALA

The second annual PHC Breakfast Gala will be held on December 16 at Dolby Laboratories. This event will honor the supporters who make PHC's programs possible, and showcase some of our accomplishments in the past year. As a sponsor, your company will join a leading group of supporters who have invested in a better future for people experiencing homelessness.
