

HOODIES FOR THE HOMELESS

We all know the first rule of San Francisco living is “always pack a layer.” Donate your extra layers to people experiencing homelessness and give the gift of warmth this winter.

Every year Project Homeless Connect (PHC) collects over 2,000 hoodies, jackets, and coats to distribute in December. We need your help to reach this goal.

Your donation will make a direct impact for each person at our Project Homeless Connect event in December. Over 1,500 participants come to this event, seeking medical care, groceries, and other life-saving resources. With your help, they will also receive a hoodie, jacket, or coat to keep out the cold.

What We Need

New or clean, lightly used hoodies, jackets or coats in Men's and Women's sizes L - 4XL

Please note: we cannot use infant, child, or youth sizes, or any adult sizes smaller than a large.

How to Collect

- 1.** Grab a box, bin, or any receptacle and put this poster on it!
- 2.** Use this poster ahead of time in break rooms, lobbies, or other common spaces to let everyone know how to help out with Hoodies for the Homeles.
- 3.** Use email, Slack, or other internal messaging tools to let others know about the drive.

Drop Off

Please contact Amy Golsong by phone: 415-503-2190 or email: Amy.Golsong@sfdph.org to schedule a time to drop off your donation.
