OPTICAL DAY

FREE pair of prescription glasses for eligible Medi-Cal recipients! NO APPOINTMENT NECESSARY!

NEXT EVENT: 2/14/2022

1031 Franklin St (Franklin St & O'Farrell St)

9:30 AM - 1 PM

HOW IT WORKS:

Participants **MUST** bring a valid prescription to receive a pair of prescription glasses. Please note, we do not provide eye exams.

HAVE MEDI-CAL, BUT DON'T HAVE A VALID PRESCRIPTION?

Medi-Cal covers one full eye exam every two years. You can be seen by a local Optometrist who accepts Medi-Cal to receive a free eye exam(see back). Bring your new prescription to an Optical Day event and we can fill it.

**Reading glasses are available during our Drop-In and Off-Site events.*

Check our Service Calendar for our upcoming schedule.
